The agreement will result in savings as it will reduce/eliminate the need to make appointments at the Elmwood Avenue location and commit a vehicle and staff members to transport multiple residents over the course of a month. The agreement is a great value.

The CNR’s next Nurse Aide Training Program will start March 5. Advertisements to recruit for the class will start in January and applications for the class are available January 16. The Mt. Morris BOCES canceled both their Nurse Aide training classes in 2017 because they couldn’t recruit enough students to fill a class. Mandatory overtime is occurring with greater frequency and is having a deleterious effect on morale. Worker absenteeism is a significant contributor to the mandatory overtime level.
- 7. Director Bassett Vacation – Director Bassett will be out of office 12/29 through 1/15 but will be accessible by cell phone. Deputy Director Woodruff will be providing administrative coverage.

Program Updates:

As part of an expanded outreach effort, Office for the Aging staff held a Medicare Savings Program Information and Enrollment Event at Upper South Street Senior Housing in Geneseo on December 12, 2017. Information was provided and individuals were assisted with applications. This was our first effort and will be repeated.

The upcoming Tai Chi series to start in January at the UMC Church in Geneseo was advertised over the weekend of 12/8/2017 and filled up in one day on 12/11/2017. Additional classes are being offered at Livingston Fitness in Dansville in January and February. If there are additional opportunities for training, we would like to get more volunteers trained due to high interest.

A group of volunteers from Erie Insurance and Long Insurance assisted in the Senior Nutrition Program on December 12, 2017. Volunteers assisted at the congregate sites and rode along with a home delivered meal driver. The group presented a donation check in the amount of \$2,000 to the Office for the Aging for the Senior Nutrition Program.

The Foster Grandparent Holiday Celebration, part of recognition efforts, was held on December 12, 2017. We continue to struggle to recruit and retain Foster Grandparents at the level required by the Corporation for National and Community Service. Many elements of the program have not changed in many years – the stipend amount, the requirement to volunteer at least 15 – 20 hours per week – and the expectations of the schools have increased. The future of the program remains uncertain.

The Intergenerational MLK Day Event at SUNY Geneseo will be held Monday, January 15th. The Keynote address, “Using History to Make Slavery History,” will be given by Dr. Stacey Robertson. Students, seniors and community members will be able to choose from five different workshops and many community service projects.

The VITA program through SUNY Geneseo will provide volunteer income tax service to eligible Livingston County residents beginning February 9, 2018 and continuing through March 31, 2018. Qualifying taxpayers include seniors, persons with disabilities, and persons with annual incomes below \$54,000. The service will be provided at the Goodwill in Geneseo; all dates are Fridays, Saturdays and Sundays this year. The Office for the Aging advertises the service and makes the appointments.

Emergency meals were delivered to all home delivered meal clients in December to be utilized in case of weather related program closing.

SAVE THE DATE: 2018 Seniorama – Saturday, May 5, 2018. Watch for nomination materials coming soon!
